**Online Member Portal roll-out**

RFLAUN is pleased to announce the launch of the new Online Member Portal on the Fund's website ([www.rflaun.com.na](http://www.rflaun.com.na)).

The launch of the Online Member Portal is a fundamental rethinking of technology centred on the needs of the members. This is a step towards digitalising the pension benefit experience which is dominated by old traditional procedures due to its nature.

Please find enclosed the Registration Guide for guidance on the way to register for the portal.

RFLAUN always acts in the interest of its members and will regularly keep the members informed on developments surrounding retirement fund matters.

Principal Officer
